SMALL GROUP EMPLOYER APPLICATION FOR AMENDMENT

MENTAL HEALTH PARITY AND ADDICTION EQUITY (MHPAE) ACT OF 2008

Under federal law, it is the employer's responsibility to provide its insurer with proper employee counts for the purpose of determining whether the employer meets the federal definition of small employer and, therefore, qualifies for the small employer exemption allowed under this law. The MHPAE Act defines a small employer as an employer who employed an average of at least two but not more than 50 employees on business days during the preceding calendar year.

If you answer "yes" to the following question, you do not qualify for the small employer exemption allowed under the law and benefits for mental health care, serious mental illness, and treatment of chemical dependency will be paid same as any other medical-surgical benefits under the HMO and/or PPO benefit plan selected.

Did you have an average of more than 50 (full-time, part-time, seasonal, or partners) total employees for each working day in the calendar year preceding the effective date of this coverage? ☐ Yes ☐ No

Financial penalties for non-compliance may apply.
